

QObject

QUndoCommand

figureUndoCommand

```
classDiagram
    class QObject
    class QUndoCommand
    class figureUndoCommand
    QObject <|-- figureUndoCommand
    QUndoCommand <|-- figureUndoCommand
```

The diagram illustrates a class hierarchy. At the top, there are two boxes labeled 'QObject' and 'QUndoCommand'. Below them, centered, is a box labeled 'figureUndoCommand'. A horizontal line connects the bottom of the 'QObject' and 'QUndoCommand' boxes. From the center of this line, a vertical line descends to the top of the 'figureUndoCommand' box. From the point where the vertical line meets the horizontal line, two arrows point upwards: one to the bottom of the 'QObject' box and one to the bottom of the 'QUndoCommand' box, indicating that 'figureUndoCommand' inherits from both.
